(UN)SILENT NIGHT

A moment of unity, magic, and celebration on Christmas Eve

Foothills Unitarian announced (Un)Silent Night, a Christmas Eve event to foster joy and connection across the Front Range. Step out onto your porch at 8 PM on December 24th, light a candle, and join in harmony with voices around your neighborhood and city as we sing Silent Night together. To access this event's specially recorded version of Silent Night, visit unsilentnight.org (Un)silent Night is open to all – religious and non-religious.

Inspired by the solidarity howls early on during the Pandemic, Foothills Unitarian has partnered with several organizations to co-host (Un)silent Night, including Our Saviors Lutheran, Heart of the Rockies, Westminster Presbyterian, Plymouth UCC, New Thought Northern Colorado CSL, Unity Fort Collins, UU Cheyenne, and UU Church of Greely.

“Living in this time when we feel stuck, and it’s hard to imagine a better future, we need magic that transforms division into community, fear into trust, and chaos into peace. We need magic that reminds us we are not alone and love abounds even when darkness limits what we can see in the moment. Our hope is that (Un)Silent Night will awaken that magic for you.” - Rev. Gretchen Haley
